

EC TYPE EXAMINATION CERTIFICATE

Certificate Number EC 786 Rev 1

This is to certify that samples representative of production of the appliances listed below have been examined and found to comply with the essential requirements listed in Annex I of Council Directive of 29 June 1990 on the approximation of the laws of the Member States relating to appliances burning gaseous fuels (90/396/EEC).

"This Certificate is for the exclusive use of Intertek's client and is provided pursuant to the agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Certificate. Only the Client is authorized to permit copying or distribution of this Certificate. Any use of the Intertek name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. The manufacturer must inform Intertek Testing and Certification Limited if any mechanical or material changes made to the products covered by this certificate, as unauthorised modifications would invalidate this certificate"

Certificate Type: Original
Original or Supplementary

Report No. This certificate only relates to those products detailed in Test Report Number: 07028907/A-B

Test Specification: BSEN 498:1998 and BSEN 484:1998
